# TurboTax in UKG

TurboTax is a self-service tax filing program integrated into UKG. It's easy to import your W-2 with a few clicks and file your taxes for a fee using TurboTax.

- **All TurboTax questions will need to go directly through TurboTax at 1-800-446-8848**
- To use TurboTax, you'll follow instructions above to access your W-2. Once you have accessed your W-2, you'll click the "TurboTax" icon.

- Import your W-2 after opening TurboTax:
- After you open TurboTax from UKG Pro, you can easily import the information from your W-2.
- To verify your identity, you will be prompted for the following information from your W-2:
  - Legal name
  - Employer's Identification Number (EIN) from Box B of Form W-2
  - Social Security number from Box A of form W-2

To see additional resources from the Intuit Support website to assist with TurboTax, click the links below:

- For detailed instructions on importing your W-2 information, refer to: How Do I Import or Enter my W-2.
- For a video demonstration on importing your W-2 information, refer to: How Do I Import my W-2 Tax Support Video.
- For information on taking a picture of your W-2 in the TurboTax mobile app, refer to: How Do I Take a Picture of my W-2 in the Mobile App.
